

David Wilkie
U.S. National Phase of PCT/AU2005/000259
August 24, 2006

REMARKS

The above amendments are made to insert a cross references to the PCT application upon which the instant U.S. national phase is based, reference a priority Australian application, to add an Abstract of the Disclosure, to eliminate multiple dependencies in the claims and place the claims in better US style.

Respectfully submitted,

NIXON & VANDERHYE P.C.
